2. BMI & ASCAP Music Compliance

Music performed at The Rendezvous must be original music for which the performer has the necessary rights, public domain music, or cover songs that are covered under The Rendezvous's applicable BMI and/or ASCAP music licenses.

Performers may be required to submit a complete set list before their scheduled performance so The Rendezvous can verify that the proposed music meets the venue's licensing requirements.

The performer certifies that, the music they intend to perform meets these requirements and agrees not to knowingly perform music outside the venue's authorized licensing.
